

Webinar 3:

Climate Risk and Vulnerability at the Nexus of Equity, Health, Public Works, & Planning

Friday, June 5, 2020, 1 to 2:30 pm

This third of four climate adaptation webinars will focus on risks to people and community assets from climate change. Panelists will frame impacts on transportation, infrastructure, operations, local businesses and public health. [Register here.](#)

Attendees will be invited to participate using the Mentimeter platform. Please be prepared to navigate to <https://www.menti.com> during the session.
