

PARK FOREST  
COMMUNITY GARDENS

Carrie Malfeo, Sustainability Coordinator  
Alex Bazan, Greenest Region Corp Member

# Why Garden?

- Affordable, nutritious, locally-produced food
- Connection to earth
- Cut down of food miles traveled
- Beautify neighborhoods
- Meet your neighbors
- Fresh air and exercise
- Learn something new

# Types of Community Gardens

- **Community Garden Grant Program:** gardens on public or private land including at schools, workplaces, and houses of worship. Eligible for reimbursement up to \$100 annually.
- **Village Owned Vacant Lot Garden Grant Program:** about 90 properties that are Village/Land Bank owned. Eligible for a reimbursement up to \$250 annually.

# Water Options

- Rainbarrel/Shed collection system
- IBC containers
- Neighbor Water Credit Program
- Community Garden Water Delivery Program

# Fire Dept. Garden
