

Senior Connections : Rush Generations Friendly Caller Program

Do you live alone, do you feel lonely, or is the social interaction you regularly have not fulfilling?

If so, consider signing up to receive a weekly friendly call from a trained volunteer.

- Weekly calls are designed for friendly conversation
- All calls are confidential, and your information is protected
- All our volunteers are encouraged to make referrals if necessary, but focus their calls on things you want to talk about

To sign up to receive a weekly friendly call, give us a call at 1.800.757.0202.
