## **D. Ineligible Expenses**

Grant funds may not be used for lobbying activities; activities that are required in connection with regulatory compliance; capital costs; or to pay staff salaries\*. Grant funds cannot be used to pay private vendors for training or services otherwise offered through professional associations and public agencies, or to purchase routine supplies.

\*The cost of staff time needed to complete the project is eligible as a matching contribution towards the required 50% match.

## **E. Grant Matching and Reimbursement**

### **Match Required**

Recipients should match grant funds awarded with a direct equal expenditure of the organization's own funds, and/ or through in-kind contribution of goods and services of equal or greater value. *Therefore, 50% of the total project costs are paid for by the Powering Safe Communities grant award and 50% of the costs are paid by the grant recipient.*

The source of matching contributions must be identified at the time of application. Direct and matching expenditures must be documented and documents must be submitted to the Caucus to receive grant reimbursement. Details will be provided at the time of award. In-kind matching contributions must be documented with employee time and work records. Contribution of volunteer labor can be applied to matching requirement with adequate documentation.

Matching contributions in excess of grant award (over-match) with proper documentation is encouraged. Applicants unable to make matching contributions may request a reduction or waiver at the time of application.

### **Reimbursement**

All grants are awarded on a reimbursement basis. Successful completion of the project or procurement; documentation of expenditures and expenses; and a submission of a reimbursement request and report are required for grant recipients to receive payment.

Successful applicants will be notified of a grant award and will enter into a grant agreement with the Metropolitan Mayor Caucus. Recipients must submit semi-annual progress reports. Grant recipients must complete their projects at any time prior to March 31, 2024. Reimbursement payments will be made promptly by the Metropolitan Mayors Caucus.

Retroactive reimbursement for costs accrued between the application deadline and the grant award may be allowed on a case-by-case basis. All requests for such reimbursement must be made in writing to Neil James at [njames@mayorscaucus.org](mailto:njames@mayorscaucus.org).

Awards are made based on the project presented in the application. Any major changes to the scope of a project must first be approved to avoid forfeiting the grant award. Contact Neil James at [njames@mayorscaucus.org](mailto:njames@mayorscaucus.org) if you anticipate there will be a major change to your project scope.

You may propose to spend more on these items than the maximum grant allowed (\$10,000) if you contribute your own agency funds for that purpose. *See sample budget.*

**The proposed Match, Column C, must be 50% or more of the proposed Total Project Cost, Column D.**

Download the [Budget Form and Instructions](#). Complete the Budget Form in Microsoft Excel then upload it to your online application. Sample budget below.
