

CHALLENGE

- Village currently working on a Bike & Pedestrian Plan to improve:
 - Bike routes
 - Neighborhood connectivity
 - Reduce VMT
 - Connect to regional trails
- Challenges:
 - Built-out community
 - Narrow ROW
 - Major barriers and jurisdiction
- Tradeoffs
 - Parking
 - Driving lanes and turn lanes
 - Parkway trees

A photograph of a green-painted bicycle lane on a road. The lane is marked with white directional arrows and a white bicycle symbol. The background is a dark green, torn-edge graphic.

Any unique or innovative examples?
