

**Tuesday, April 15, 2025 | 4–8 p.m. | FREE**  
**McHenry County College Commons (Building B Entrance)**

Connect with local experts who specialize in repairing and reusing everyday items. By extending the lifespans of our possessions, we can reduce waste and minimize environmental impact!

**Experts will be available onsite to help repair:**

- Lamps and Light Fixtures
- Small Household Appliances (toasters, blenders, etc.)
- Clothing Repair (no tailoring)
- Bicycle Repair

No electronics, computers, computer screens, or cell phones.  
Projects must be able to be fixed in under an hour.

*Limit three items per person. Walk-ins only—first come, first served.*
