ELEVATE

OPEN participant journey

Connection to existing programs

CLIMATE READY ✓ Energy Grants

and rebates!

Energy audits	Lighting upgrade	New windows
Electric water heater	For Oak Park Homeowners Single-Family, 2-4 Flat & Condominium	Insulation
Electric heat pump	Electric panel upgrade	Solar panels

How is it going so far?

- Non-income qualified single family home applications – **FULL!**
- Lessons learned so far:
 - Although we do not have any income requirements, we internally set some targets for the # of income qualified homes and multifamily properties and reserved slots for those property types.
 - Clear communication on response times and scheduling.
- Coming Soon
 - Community workshops partnering with community-based organizations
 - Seven Generations Ahead, Housing Forward, Regional Housing Council, Beyond Hunger
