

Save Money and Energy with a **FREE** Energy-Saving Kit!

Each free kit contains a variety of energy-saving products that can make your home more energy efficient and help you save money on your monthly energy bills.

Here's how to get started:

1. Contact your local Community Action Agency (CAA).
2. Provide the CAA with your utility account numbers.
If you qualify, a kit will be shipped directly to your home.
3. Follow the online instructions to install your products and enjoy your savings!

To receive a kit:

- You must have a valid ComEd account number and a valid Nicor Gas, Peoples Gas or North Shore Gas account number
- Your annual household income must fall within the eligibility limits for the Low Income Home Energy Assistance Program (LIHEAP)
- You must not have received a kit in the past three years

Your kit may include:

- LED night light
- Rope caulk
- Window insulation kit
- Smart plug/socket
- Outlet and switch gaskets
- WaterSense® certified high-efficiency showerhead and faucet aerators
- Weatherstripping
- Door sweep
- Shower timer
